

Scalp Line	Region	Location	Indications
MS 1	Forehead	1 cun ventrally from Du 24	Psycho-emotional & shen issues. Nasal issues
MS 2		1 cun ventrally from BL 3 = Lateral Line #1	Upper Jiao issues (HT & LU). Nose & Eyes
MS 3		1 cun ventrally from GB 15 = lateral Line #2	Middle Jiao issues (GI = ST & SP; LV & GB)
MS 4		1 cun ventrally from the point 0.75 cun medial to ST 8 = Lateral Line #3	Lower Jiao issues (reprodn & urinary (KI & BL). Disorders of the eyes.
MS 5	Vertex	From DU 20 > DU 21, Mid-line of the vertex, 1.5 cun long	DZ below the waist. Prolapse of rectum & UT. Mental & emotional issues. Vertex pain
MS 6		From anterior Shishencong oblique to GB 6	Mobility impairment: Upper 1/5 = lwr limbs, Middle 2/5 = upper limbs, Lower 2/5 = head & face
MS 7		From DU 20 oblique to GB 7	Sensory impairment and pain (sections same as MS 6)
Tremor Line		1.5 centimeters parallel & anterior to MS 6	Parkinson's tremors, essential tremors
MS 8		Line 1.5 cun lateral to mid line, 1.5 cun long from BL 7 (4 cun from hairline) & BL 8 (5.5 cun from hairline) = Vertex Line #1	DZ & SX of waist and legs: paralysis, pain, numbness etc.
MS 9		Line 2.25 cun lateral to mid line, 1.5 cun long from GB 17 (2.5 cun from hairline) & GB 18 (4 cun from hairline) = Vertex Line #2	DZ & SX of upper limbs: paralysis, pain, numbness etc.
MS 10	Temporal	GB 4 to GB 6 = Anterior Temporal Line	Disorders of head, face & neck: Bell's palsy, h.ache, mouth & throat, trigeminal neuralgia (treat early)
MS 11		GB 8 (1 cun sup to ear apex) to GB 7 (1 cun ant to ear apex) = Posterior Temporal Line	Dizziness, vertigo, balance. Ear issues
MS 12	Occipital	DU 18 (1.5 cun ant to DU 17) to DU 17 (just above EOP) = Upper Middle Occiput Line	Eye Dz: inflammn, conjunctivitis etc
MS 13		0.5 cun lateral and parallel to MS 12 = Upper Lateral Occiput Line	Cortical visual disturbances. Functional eye issues
MS 14		2 cun line from BL 9 (1.3 cun lat to DU 17) to BL 10 (0.5 cun into post hairline) = Lower Lateral Occiput Line	Cerebellar Dz (injury and atrophy).Balance issues. Occipital & nape pain
